Protecting our heritage

As reported in May a number of sub-committees have been set up by the Village Hall Trustees and we are busy with publicity, fund-raising, maintaining the finances (which are very healthy), and making sure that the fabric of the building is sound. The Village Hall is nearly 100 years old and of historic importance so great care has to be taken to protect this heritage. In addition, volunteers are dealing with bookings, the website and other aspects of providing a facility which will serve the needs of the community for many years ahead.

Ferring Village Hall is available for hire seven days a week and has three rooms.

The Main Hall has a stage and kitchen facilities, at no extra charge.

The Club Meeting Room is less spacious but also has basic catering facilities.

The small Griffin Room is useful as a committee room. Full details of all Hall activities, including hire charges and contacts, can be found on the webpage: www.ferringvillagehall.org.uk

A variety of organisations use the Village Hall for activities such as dancing, amateur dramatics, viewing films, running craft fairs, talks about history, conservation, horticulture and many others. New users are always welcomed. Could one of them be you?

Please can regular hirers check that you have made all of your bookings for the coming year, so as to avoid any double bookings. Also, if you wish to be specifically mentioned in this report for next month, please contact Stephen Horne on stephen.horne@gmail.com

We look forward to sharing an exciting time of change
